

SWFDA Membership Application

This organization is a USDF Group Member Organization
SWFDA members are automatically USDF Group Members

Deadline: November 15, 2016*

Please have your form mailed to Amanda Whitney by 11/15/16 so that information can be turned into the USDF on time and there will not be a lapse in your membership. Please type or **print neatly** so your information can be correctly entered into our membership database. ***YES you can join or renew after this date, but in order to enjoy a full year of SWFDA and USDF benefits as a GMO member, your membership should be in place by December 1, 2016.**

If you purchase a membership after the last SWFDA schooling show of the 2015-2016 year, your SWFDA benefits will start immediately (voting, emails, etc.) However, you will not have any USDF benefits until we submit the next year's membership roster to the USDF in November 2016. Otherwise you will have to "join twice" and pay a late fee to the USDF for the current membership year, as memberships cannot be prorated.
